After many intricate experiments,
scientists have discovered methods for
obtaining all the natural digestants.
These have been combined in the
proportion found in the human body
and united with substances that build up
the digestive organs, making a com-
pound called Kodol Dyspepsia Cure.
It digests what you eat and allows all
dyspepsies to eat plenty of nourishing
food while the stomach troubles are
being radically cured by the medicinal
agents it contains. It is pleasant to
take and will give quick relief. Win-

Hamulating Blood Diseases.

Hamulating blood diseases can be cured.
This is not a theory, it is a fact. Cures are
being made every day, though they are not
made in a day. The reason why so many
suffer without hope is because they have
been so often induced to try impossible re-
medies. The man who says that a blood dis-
ease can be cured by a local application or
operation is a fraud. There is but one way:
the blood must be purified. When that is
done the disease disappears. The best puri-
fier is Dr. David's Sassafras. It does the work
where others fail. For sale by Winston

Question Answered.

Yes, August Flower still has the large
est sale of any medicine in the civilized
world. Your mothers' and grand-
mothers' never thought of using any-
thing else for Indigestion or Bilious-
ness. Doctors were scarce, and they
seldom heard of Appendicitis, Nervous
Prostration or Heart failure, etc. They
used August Flower to clean out the
system and stop fermentation of un-
digested food, regulate the action of the
liver, stimulate the nervous and or-
ganic action of the system, and that is
all they took when feeling dull and bad
with headaches and other aches. You
only need a few doses of Green's August
Flower, in liquid form, to make you
satisfied there is nothing serious the
matter with you. For sale by H. C.

Does it Pay to Buy Cheap.

A cheap remedy for coughs and colds
is all right, but you want something
that will relieve and cure the more
severe and dangerous results of throat
and lung troubles. What shall you
do? Go to a warmer and more regular
climate? Yes, it is possible if not pos-
sible, then in either case take the ONLY
remedy that has been introduced in all
civilized countries with success in
severe throat and lung troubles, "Bo-
schee's German Syrup." It not only
heals and stimulates the tissues to de-
stroy the germ disease, but allays in-
flammation, causes easy expectoration,
gives a good night's rest, and cures the
patient. Try one bottle. Recommended
many years ago by all druggists in the

BRIEFS AND PERSONALS.

The wind, the wandering wind

Of golden summer eve—

Whence is the thrilling magic

Of its tones amongst the leaves?

Oh, is it from the waters?

Or from the long tall grass?

Or from the hollow rocks

Through which its breathings pass?

Vegetables are getting scarce.

The watermelon outlook is poor.

These are vestless and coatless days.

The corn on low lands is far from

promising.

Sugar is still advancing—preserving

season you know.

Letters from Asbury Park announce

the fact that our venerable and respect-

ed townsman, Mr. R. S. Paulett, is ac-
tually "renewing his youth," fishing

bathing, boating and in other attractive

and healthful diversions.

The infant child of Mr. and Mrs.

Hurt died at the home of its grand-

mother on Tuesday and was buried

Wednesday morning, the Rev. Mr.

Hunter officiating. "Of such is the

Kingdom of Heaven." Only a little

grave, but what a long shadow it casts

on home and hearts.

Messrs. W. C. Franklin and W. L.

Laurens are still enjoying memories

of their stay in Philadelphia recently,

especially the evening when they were

guests of Mr. J. B. Fishman, an Ap-
pomattox boy, by the way, who has

won distinction and substantial success

in the financial circles of that great

city.

That street sprinkler is big enough,

water is plentiful enough and there

should be no dust flying on Main street

nor night. The first sprinkling

should take place in the early morning

before business hours, and then again

in the evening after business hours.

The luxury has been bought and paid

for, and belongs to the town.

Union services were held at the

Methodist church on last Sunday night,

of the pastor, Rev. Mr. Hunter,

preached a good sermon to a large and

appreciative audience. Next Sunday

night the services will be at the Pres-

byterian church, and Dr. Harding will

do the preaching. Not only congrega-

tions but the choirs of the different

churches should take part in these

union services. Singing with the spir-

it and good preaching go well together.

We invite attention to the commu-

nication of Capt. S. W. Paulett, to be

found elsewhere in the HERALD. We

will take pleasure in receiving any and

all amounts which may be offered to

this worthy object. Every child in

Prince Edward might give at least

ten cents. The average should be

much greater. Amounts contributed

and names of donors will be published

in the HERALD. This is a privilege

offered you and ought to be a pleasure

to respond quickly and liberally.

Dr. Richard Venable Leach Dead.

Dr. R. V. Leach died in the city of
Lynchburg, where he had gone for sur-
gical treatment, on the 13th inst., in
the 76th year of his age, having been
born on the 21st of July, 1824. His
remains were brought to the home of
his father, Rochelle, in the county of
Cumberland, for burial, and the fune-
ral services were conducted by his
nephew, Rev. Richard Lancaster, of
Abingdon, assisted by Rev. Dr. Harding
and Rev. Mr. Davis.

Dr. Leach received thorough acad-
emic training and then selected medicine
as a profession. He mastered it in all
its details as student, and practiced it
for a number of years in civil life with
success. He served the Confederacy
efficiently and well throughout the en-
tire war as assistant surgeon, and sur-
rendered at Appomattox with the im-
mortal Lee.

Early in life Dr. Leach united with
Cumberland church, and was during
life a close reader and earnest student
of the bible. A familiar hymn, breath-
ing a spirit of humble trust in the Sav-
iour, was found, copied in his own
hand, on his desk after his death, and
those who knew and loved him best
are comforted with the hope that he
died in that faith. Dr. Leach was a
man of liberal culture, an accomplished
physician and could have gained reputa-
tion and won success if he had so
wished. He preferred the quiet circle
of a few intimate friends, and to such
he was a charming companion, his books
and his own home. Increasing deaf-
ness kept him from enjoying the ser-
vices of the sanctuary and no doubt
from the walks of more active life.

In this age of intense striving for
dollars and reputation, it is refreshing
to meet with characters willing to serve
and not to shine.

Have You Seen Them?

We mean the Farmville police corps
in uniform. The girls are saying,
"How handsome," while the small boy
is whispering: "They are going to
China." But they are going to remain
right here and do better service than
they did in linen duster and umbrellas.
The uniforms are all right, and we are
glad to see them on our streets. They
will actually contribute to good order.

With Brother Editors.

The editor of the HERALD left on
Tuesday morning to attend a meeting
of the Virginia Editorial Association,
which began its regular annual session
the same day at Old Point. The session
promises to be of unusual interest.
The Rev. Jas. Cannon, a preacher edi-
tor, will light into the "Sunday Secu-
lar" before the convention, and there
will be "hot times" on the seashore for
the time being, no matter how stiff
the breezes from the ocean may be.

Prince Edward Court Day.

Last Monday was regular County
Court day for Prince Edward Ed-
ward. The crowd in attendance was
an unusually large one. Not much of
interest on the court docket. The old
Tredway mill race was presented as a
nuisance, and the trial of the case was
fixed for next court. Messrs. Lee and
Franklin are associated with Judge
Watkins in the prosecution of this case,
and it promises to be lively.

Brown, the escaped prisoner, was
indicted. There was no meeting of
the farmers as we expected there would
be, though many of the leading farm-
ers of the county were here.

The old Confederates were out in full
force, and the Pension Board allowed
D. C. Crute \$30; S. P. Oaks, Chastain
Barker and R. A. Childers \$15 each.
The trouble is that there isn't money
enough to go around. Would that all
the old worthies could be liberally pro-
vided for. They know Virginia is will-
ing, but just not able.

A Pretty German.

Editor Herald:—On Friday night,
July 13th, at the beautiful home of Mr.
Howard Selden, near Tredway, a dance
was given in honor of Miss Martha
Miller, of Farmville, by the charming
daughters of the hostess. The music
was sweetly and artistically rendered
by Messrs. Ned Booker and B. J.
Worsham, Jr. The night was an ideal
one and the gay crowd enjoyed them-
selves on the lawn. Suddenly the
stentorian voice of Mr. Lipscomb called
out, "Partners for the first set," and
amid the peals of laughter and sweet
strains of music the following young
ladies and gentlemen were ushered in
the spacious parlor: Misses Winnie,
Rebie, Belle and Mary Yonge, Martha
Miller, Annie Allen, Nollie McDear-
mon, Ruby Ransom, Jennie Overton,
Freda, Pattie and Virginia Selden.
Messrs. James A. Armistead, Arthur
Allen, Joe Allen, Emmet Womack,
Goodrich Overton, Leslie Dillon, Fred
Hunt, Ernest Hunt and E. T. Lips-
comb; and Whit Gills, Dalby McKin-
ney and Branch Worsham steps.

All went "merry as a marriage bell,"
and having danced until the night was
far spent the "boys went home with
the girls in the morning." W.

Our Monument.

Editor Herald:—Permit me through
the columns of your paper to inform
our people that the contract for the
building of our Confederate monument
has been let and the contractor has
the work well in hand and under full
swing. We will have it ready for un-
veiling on the 11th day of October;
this being the second day of our fair.
We shall arrange for a number of first
class speakers and no doubt a large
crowd of our people will be in attend-
ance. We earnestly request that you
keep this matter before your many
readers from now until that day. We
desire all to attend, especially our own
county people who should take pride
in doing honor to the boys of 1861-5 for
a nobler set never loaded musket in
defense of country.

Permit me to also say that while the
contract has been let, yet we are several
hundred dollars behind in having in
hand sufficient funds to pay for same.
We do most earnestly appeal to all to
help us out. No debt should rest upon
this undertaking. Our people must
come to our aid and do all they can.

Now, Mr. Editor, to that end I sug-
gest that you become treasurer of a
fund to be known as the Confederate
Monument Fund, to which all who
wish to subscribe can send their money
direct to you, and that you publish
weekly a statement of all amounts re-
ceived and the donors of same. To
our county people out side of the town
we make an urgent appeal as none of
them to my knowledge have contribut-
ed one cent for this object, while our
town folks have come forward most
liberally. I feel that when our county
friends know what is expected of them
they will respond for this noble cause.
We have a committee consisting of
Dr. Winston, J. F. Walton, E. L.
Erambert, O. T. Wicker, B. M. Cox, A.
W. Drumeller, R. D. Miller and S. W.
Paulett who are authorized to solicit
subscriptions, these have books in
which to enter names and amounts.
These books after erection of monu-
ment will be placed in the hands of
our county clerk, who will preserve
them for future reference, so that all
may see who gave their money for
this object.

Mr. Editor you can do much to help
this cause and we feel satisfied that
you will. You are the son of an old
Confederate soldier. Do your duty as
we did ours and all will be well.

S. W. PAULETT,
The Old Reb.

New Store.

The church fair held at this place on
Saturday to raise funds to buy an organ
was a complete success, and although
the numbers attending were not ex-
cessive, the buying was liberal and the
organ fund was increased by about
fifty dollars. Our thanks are due to
many of Farmville's citizens for help
in money and supplies. The list in-
cludes T. P. Robertson, Dr. Spencer,
W. M. Duvall, Paulett & Son, L. H.
Drumeller, Capt. Sam Watkins, A. A.
Cox, W. P. Gilliam, J. M. Crute, &c.

Mr. Hollingsworth, from the Theo-
logical Seminary, is giving very great
satisfaction as our preacher during the
summer months. Rev. Mr. Davis, of
Cumberland county, will preach for us
on fifth Sunday and hold communion
service.

Our neighborhood population is
much increased. Mrs. Wood and daughter,
of Norfolk; Mrs. Pierce and son, of
Mississippi, are visiting at Mr. W. H.
Davis's. The college boys and girls
are all home at Mr. Jones's and Mr.
Helditch's.

Miss Mary Armstrong has left the
hospital and is gradually regaining her
strength and health at the home of her
sister, Mrs. J. W. Helditch.

Mrs. Dr. Davis is summing at her
old home near here.

Mrs. E. J. Steger and Miss Lavinia
Steger
